

Chicana and Chicano Studies & Proyecto Jaranera Presents:

SEGUNDO ENCUENTRO JARANERXS BURQUEÑO 2018

Join us for a week of community building with two Son Jarocho musicians from Veracruz Mexico, Patricio Hidalgo and Esther Cruz Marantos. As keepers and experts of AfroMexican folk music, they will be sharing historical knowledge of Son Jarocho and host zapateado (dance), lyric writing and jarana workshops. This fabulous week is open to anyone that is interested in learning about the Afro Influences in Son Jarocho and a great opportunity to learn how to play an instrument.
