

# **Climate Vulnerability & Conflict in the Central American Dry Corridor**

## **A Panel Discussion**

**FRIDAY, OCT. 25 • 3 PM • BANDELIER HALL EAST, ROOM 105**

Join the LAll, Department of Geography and Environmental Studies, and the Department of Political Science for a panel discussion to explore how vulnerability to climate change in Central America is driving violence, migration, and other social changes throughout the region.

### **PANELISTS**

Diego Pons – Geography and Climate Science, Columbia University

Sarah Romano – Political Science, Lesley University

Brent E. Metz – Anthropology, University of Kansas

Matthew Taylor – Geography, University of Denver

This event is free and open to the public. For more information, contact Benjamin Warner at [bpwarner@unm.edu](mailto:bpwarner@unm.edu) or Jami Nunez at [jaminunez@unm.edu](mailto:jaminunez@unm.edu).
